****The Textbook of African Holistic Health - Dr. Llaila Afrika**

Afrika strongly encourages a holistic approach to healing the body and this includes stepping away from a westernized diet. All the standards apply: avoid processed foods, prescription medications, white flour, sugar; foc There's some very valuable information in this book; but there's also some very unnecessary, biased, racial supremacy talk that's difficult to overlook.

Overall, this book seems like a decent jumping off point into African-American based holistic health for someone who simply much have an Afrocentric twist on everything. I don't find very much "African" about this text and it seems more Afro-American, Caribbean and Arab (I say that fully understanding that most of the "Arab" world is actually ...
