...

Nicholas Rankin's book provides us with a fascinating insight into some of the most ingenious - and bizarre - solutions that the British came up with in the first half of the 20 th century in order to prevent the other side from knowing what they were up to. With a career spanning both World Wars, Winston Churchill lay behind the drive to deceive, and Rankine separates the techniques and characters involved (some of whom were involved in both conflicts) into two separate parts of the book.
