### Juvie Steve Watkins

The book juvie by steve watkins, is About a young girl in high school who is going to juvie. Sadie the mains character was arrested for drug dealing even though the cops set her up for it. In the beginning of the story the book starts off interesting but has some parts that get boring. I would recommend this book to people like drama.

### Juvie by Steve Watkins - Goodreads

I'm a fan of Steve Watkins. His writing style brings the story alive. I was unable to put Juvie down until I read the final word. The war on drugs is a necessary war, but instead of targeting and punishing the people who are truly at fault, it's more likely the poor, young people like Sadie who are going to jail.

Steve Watkins is a beloved author. *What Comes After* is one of my favorite books of the last several years, and I adore the gentle spiritual overtones in his writing, as well as his command of realistic fiction. Sadly, *Juvie* didn't do it for me—mostly because main character Sadie's journey isn't much of a journey.

Juvie Steve Watkins Review by Diane Colson. November 07, 2013 First of all, 17-year-old Sadie didn't even want to go to that party with her older sister, Carla. She knew from past experiences that Carla, notorious for her reckless behavior, was oblivious to responsibility. And, sure enough, as soon as the sisters arrive at the party, Carla is ...

## **Book Review - Juvie by Steve Watkins | BookPage**

Juvie | Heart-wrenching and real, Juvie is the story of two sisters grappling with sacrifice, accountability--and who'll be there to help you up after you take the fall. Sadie Windas has always been the responsible one -- she's the star player on her AAU basketball team, she gets good grades, she dates a cute soccer player, and she tries to help out at home.

## **Juvie by Steve Watkins; Whitney Dykhouse**

Watkins (*What Comes After*, 2011) has created a compelling first-person narrative anchored on Sadie's self-reflection: "Just when you start to feel good about your life because of some little thing that might go well, there are fifty other reminders about where you are and where you're going to be for a long time, and how you got here, and what everybody back home thinks about you now, and will probably think about you for the rest of your life."
