To find answers to Pearson textbooks, visit Slader.com. Select the textbook from a list on the screen or enter a 13-digit ISBN number to find the exact Pearson textbook required. If a specific question has no answer, you must pay to place a "bounty" on it.

How Can You Find Answers for Pearson Textbooks?

continuing to 'simplify' their final answer, writing $3x + 6 = 9x$. Very few answers reflected no understanding of the algebra involved. In part (b) most students found some common factors and divided well. Candidates need to ensure that they find the highest common factor, particularly for the number part of each term. They need to look at the

Higher Unit 2 topic test
